Beginner Stained Glass Class

Join us for our next Beginner Stained Glass Class starting **Tues. Sept. 9 6:30-9:00**. The class fee includes your beginner tools, a premium oil fed cutter (\$34 value) and your supplies for your first project. You will be taught by professional teachers with over 50 years of combined experience.

We feel that if you start out with quality tools and a great glass cutter, your stained glass experience will more enjoyable. The class meets one night each week for 5 weeks, and the fee is \$170. All we need to hold your seat in class is \$85 when you sign up.

In this class you will make 2 projects and learn everything you will need to do stained glass at home. Take a magical journey with us and make stained glass your favorite hobby!

Beginner Lead Class

Now that you know how to do the copper foil method, it is time to venture off towards a new direction. Learn how to work with lead came in our next intermediate lead class for beginners!

The lead class will begin **Monday Oct. 27, 6:30-9pm**. The class meets one night each week for 4 weeks.

The fee is \$50 plus materials. You will construct a leaded panel in the class. We also talk about reinforcing and repair, if time permits.

You must have prior experience working with stained glass and all we need to reserve your place is the class fee.

Sept. 20

Garden Stone

10:30-12:30 pm Fee \$35

Beautify your garden with a sparkling new garden stone and be the envy of all your neighbors! Join us for our next Garden Stone Class and learn how easy they are to make!

In this class, you will actually do an 8" x 8" stone and take it home that day! We will show you how to prepare your mold, lay out your project and work with the DiamondCRETE mix.

The class is **Saturday Sept. 20, 10:30-12:30**. The fee is \$35, which includes a box of DiamondCRETE mix, and everything you will need to make a stone, except glass. You will need to have your glass cut and ready to go before class begins. Stop by and pick out your pattern!

Sept. 27

Hot Glass Jewelry

9:15-1:15 pm Fee \$45

Let your imagination run and create your own fused jewelry that will intrigue everyone! You will actually make several pendant size jewelry pieces in the kiln and maybe take them home that day. We will also show you how to put the finishing touches on your creations and make beautiful one-of-kind pins or necklaces. In this class, you will learn the basics of kiln operations, fusing and pattern designs.

The class fee includes everything! All you need to bring is your glass cutting tools and maybe lunch.

Thursday Nite Club

Come join us for our last Thursday Nite Club meeting on Sept. 11, 6:30-7:30pm. We will have a guest speaker, Regina Rhodes, show us how to turn clay into silver jewelry. The special clay is called Precious Metal Clay and when it is fired it turns into silver! You will see how to use your creative talents into works of art.

Yes, it's sad to say, this is our last club meeting. I have a lot of things on my plate right now and unfortunately don't have the time to spend developing new topics. Maybe we can revive the club later when I get caught up. If you have a current club card you can bring it in for your \$10 gift certificate.

Thanks for being a part of the Thursday night gang and remember I am always here on Thursday if you have any questions or just want to come by.

Beach Party Treasure Box

Oct. 4

9:30-12:30 pm Fee \$35

Let's have a beach party! We have all gone to the beach and brought treasures back to remember the fun, right? Nancy has come up with a great idea to make a sealed beveled treasure box to put your favorite shells and sand in.

You will be making a 3" x 3" Beveled Treasure Box, complete with sand and shells. (If you have small treasures you would like to use, bring them along!)

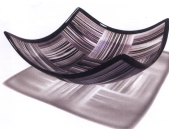

So put on your Hawaiian shirt and pack up your soldering supplies and join us for our beach party.

You must have experience in foil construction and have your bevels foiled before class begins. Space is limited so call today!

Advanced Fusing-Large Format

Nov. 15

9:15-1:15 pm Fee \$65

Now that you have tested the hot glass waters, it is time to dive into the exciting possibilities that you can do with the kiln. We have put together an advanced fusing glass that will guide you through new techniques such as paints, decals, powders and other special effects. The cool (or hot) thing is you will get to use a larger kiln and make a bigger project.

You must have basic experience with fusing and glass cutting to join us in this class. Materials not included in the fee. The class is very limited so sign up today!

Webkinz - Who?

Toy Of The Year 2007

We are now carrying Webkinz! What's a Webkinz? They are the cutest plush animals that all the kids are crazy about. But the real secret is that each Webkinz comes with a secret code that you can go online and play games and win stuff for your Virtual pet, that matches your actual Webkinz pet. It is an amazing child friendly website and fun to interact with your new friends. They are great gifts for your kids or grandkids! If your kids collect these critters, ask us how you can be the first to know when a new shipment comes in!
