What's New

We are back from Sin City (Vegas) and we have so many new things to temp you with!

We have a new **11" Mosaic Lamp Shade** that is ready for your mosaic

glass creations. In no time, you will have a beautiful lamp shade that is very unique!

Dress up your garden with your very own custom **Bird Feeder!** We have a new Redwood Bird Feeder kit that is easy to assemble and ready for your very own stained glass panels or even fused

glass. The birds will think they are having *Breakfast at Tiffany's!*

Do your glass in style with a *Glass Ware T-Shirt*, only available at The Glass House! We have added a new design to our collection that says: **Glass Fusing Makes Me Hot!** You can be the "Glass Goddess", "Glass Artist Beats A Real Job" or even express your giddiness with "Before

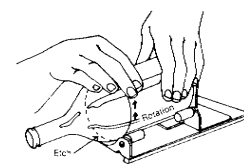

Glass/After Glass". What ever your passion for glass is, we have you covered in style!

We have several new molds for all of those Fusing Maniacs out there! Check out the cute **Mini Basket Mold!** It is perfect for the smaller kilns and makes an

adorable candle votive or ring basket!

Looking to jazz up your lighting fixtures? We now have 3 different sizes of **pendant molds** to make your own beautiful hanging lights!

Have too many empty wine bottles laying around? Don't worry – your secret is safe with me! Start turning those empty bottles into beautiful works of art! We have a new bottle cutter that works really well called the **Ephrem's Bottle Cutter**. It scores the bottle horizontally, which is easier to get a good score. Only your imagination can hold you back while recycling those empty bottles.

Need a perfect hole in your glass block, wine bottle, fused jewelry or stained glass? Stop in and check out our expanded Diamond Drill Bits selection. We have 2mm to 50mm drill bits in stock! "**Holey" Cow!**

Looking to honor your Military friend or loved one? We now have 6" bevels with the Military logo etched on them. They are great center pieces to your stained glass or just set them on your desk.

We have the **Army, Air Force, Navy, and Marines**. They are on SALE for only **\$14.99** ea. We also have really beautiful wood display stands for only **\$7.49** ea.

Sat. 9:15-11:15am Finishing up!

Creating a glass flower bouquet is fun and easy! Watch the kiln bloom as you learn to fuse and slump glass in this exciting hands-on entry level class. Get introduced to both fusing and slumping as you cultivate 1 to 2 gorgeous 3-d blossoms. We will explore first hand basic fusing concepts, mold preparations

and hardware assembly. Let the experts show you how to enhance your unique creations using frit, stringers and glass. We'll share new ideas incorporating beautiful glass flowers that will inspire your imagination.

Even if you have two brown thumbs you will have no trouble raising these floral beauties. You will need to bring your glass cutting tools with you to class.

10 Things to do with "Wine" Bottles

June 23

Skill Level

Sat. 9:15-1:15pm Fee \$25

Plus materials

Do you ever look at that empty wine bottle and wonder "What can I do with this?" Creative Glass people hate to throw anything away, so let's see what we can do!

First you have to empty the wine bottle or liquor bottle, at another time perhaps! We will show you many different projects that you can do with them. We will show you how to cut the bottoms out to make hanging lanterns. We will show you how to use the bottle cutter as well as drilling holes into the bottles. We will also talk

about how to flatten them into cheese trays.

In this class, we will show you many techniques to dress up your empties. Bring in your favorite bottle and let's make some magic! This is the ultimate in recycling!

Want to cut perfect circles? We have the perfect circle cutter that is very similar to the expensive German cutters but at a fraction of the price!

We have 2 different cutters that will cut from 2 3/4" to 15 3/4" and 2 3/4" to 23 3/4" circles. The smaller cutter is only **\$29.99** and the larger is **\$32.99**, as compared to the Siberschnitt cutter at \$128.99. These cutters have a suction cup to hold the pivot point while you are making your score.

Just in: **UV Glue** that is more affordable! Great for attaching jewelry findings or mending Grandma's favorite crystal figurine. We also have a new **UV Light** source to set the glue and it's on SALE – only **\$20!** Compared to the market price of \$200 for a similar light. **Wow!** We have the UV Glue on Sale for only **\$15.99!**
