One Stop Glass Shop

Thanks

I was just reading in my **FREE** issue of Stained Glass News about why your local stained glass store is so important. Your store is a place that you can come in and ask questions about your projects or bounce off any ideas about the technical stuff. It is a place where you can go and look at glass and ask the professional's opinion at no charge. You ask questions about how a tool works and call for help if you have problems with your grinder or soldering iron. It is truly a place that everyone knows your name, except maybe Steve.

The Glass House Has To Offer You:

- * **Over 800 colors and textures of glass IN STOCK!**
and that doesn't include all of the specialty art glass
- * **3300 Bevel Clusters IN STOCK!**
More Clusters than most dealers
- * **Over 200 colors of Fusible Glass IN STOCK!**
Add to that all of the other fusible products
- * **Over 8000 Colored Bevels & Dichroic Bevels IN STOCK!**

We thank you for keeping your stained glass dollars here and we will work hard to come up with exciting new classes, new tools, new glass and new books so you can enjoy your hobby for many years!
