

# Stained Glass Weather!

The Glass House \* 2895 N. Oakland \* Decatur Ill. \* Phone (217) 875-7077 \* Toll Free (888) 469-7077

## Beginner Stained Glass Class

Join us for our next Beginner Stained Glass Class starting **Monday Feb. 19**, 6:30-9:00pm. The class fee includes your beginner tools, a premium oil fed cutter (\$34 value) and your supplies for your first project. You will

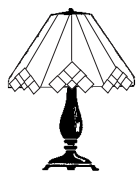

be taught by professional teachers with over 40 years of combined experience.

We feel that if you start out with quality tools and a great glass cutter, your stained glass experience will more enjoyable. The class meets one night each week for 5 weeks, and the fee is \$150. All we need to hold your seat in class is \$75 when you sign up.

In this class you will make 2 projects and learn everything you will need to do stained glass at home. Take a magical journey with us and make stained glass your favorite hobby!

For  
"Beginners"  
too!

## Mini Lamp Class

Looking to add a special accent lamp on your desk or dresser and just can't find the right one? You can make your own mini lamp in no time and we can show you how.

Join us for our Mini Flat Panel Lamp Class starting **Tuesday March 6**, 6:30-9:00 pm for only \$40 plus materials. The class will meet one night each week for 3 weeks.

Although this is a beginner lamp class, you will need experience in working with stained glass. Call or stop by today and choose your pattern for your very own mini stained glass lamp! Only 8 spots available in this class.

## What's New in Hot Glass?

We have expanded our fusible line of glass. The Glass House now carries *Spectrum 96* as well as *Bullseye 90* Fusible glass. Dorothy would be proud of our rainbow of colors! **Coming Soon: our new Fusing Section!**

Looking for something to jazz up your fused project? We have so many new Dichroic colors in both 90 & 96. It is so irresistible! Dichroic is just the right dazzle for your hot glass project.

Add a little gold dragonfly on your fused necklace and mystify everyone! We have the new 22k gold low fire decals that will excite your fused jewelry. They are easy to apply.

## Mosaic Mirror Class

Art meets function in a fun way! Join us for our new Mosaic Mirror Class and see how much fun working with broken glass can actually be. In this **Hands On** class you will make a 14" x 16" wall hanging

with a beveled mirror centerpiece. Around the mirror we will use the mosaic techniques that you will learn to create your very own work of art.

We will meet on Feb. 10 & 17 from 10:00-12:30pm. The class fee of \$45 includes everything except your glass. You will also need to bring your glass cutting tools or mosaic cutters.

## Wacky 6000 Contest

Last year's Wacky Contest was a huge success so we have decided to do it again. Only this time with a brand new Baroque Glass – Dark Blue and White.

Here is how the contest works: Stop by The Glass House and pick up your **FREE** (with the coupon on page 3 of your Glass House hymnal) piece of Dark Blue and White Baroque. Come up with the most appropriate use for the glass and enter in our soon to be famous contest. Your design can be original or something from a pattern book.

The judges will choose the winners, which will be announced at the *Wacky Gala* after the contest ends. At the *Wacky Gala*, enjoy an evening with refreshments and visit with other artists. You are all invited even if you don't have an entry in the contest.

The winner will take home a \$25 gift certificate at your favorite stained glass store (HERE). You can't loose! A free piece of glass and a loads of fun trying to figure out something creative with one of the most beautiful pieces of glass Spectrum makes. It's your turn to strut your stuff!

## What's New?

The new 2007 *Lamp Calendar* is here and talk about inspirational! The full color calendar is a must for stained glass enthusiasts.

Looking to jazz up your panel with a bevel border? Check out the beautiful straight line colored bevels! They are available in blue, green, peach, yellow. & teal in several widths and lengths. Don't forget to look at the 1" Dichroic bevels for a little extra excitement in your project!
