# CLASSES

## Santa's Fun & Easy Gifts

7-9 pm

Fee \$45  
Includes Lead & Kit

Looking for a fun evening in glass? We are going to be putting together a pre-cut Holiday Ring Kit that will take no time to assemble and make the most beautiful gift for that special someone!

We will introduce you briefly to the Lead method of construction. You will have your choice of *Poinsettia*, *Candles*, or *Beveled Snowflake* kit and all you need to bring is your lead cutters, solder, flux & iron. You will need to decide which kit you want to make when you sign up for the class!

## Hot Glass Jewelry

9:15-1:15 pm

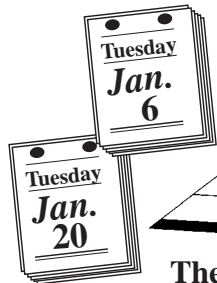

Fee \$45  
Includes everything

Let your imagination run and create your own fused jewelry that will intrigue everyone! You will actually make several pendant size jewelry pieces in the kiln and maybe take them home that day. We will also show you how to put the finishing touches on your creations and make beautiful one-of-kind pins or necklaces. In this class, you will learn the basics of kiln operations, fusing and pattern designs. These would make

great gifts for someone special for Christmas!

The class fee includes everything! All you need to bring is your imagination, glass cutting tools and maybe lunch.

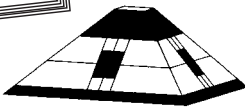

## Prairie Style Lamp Class

6:30- 9:00 pm

Fee \$50

featuring Morton's Portable Glass Shop

### The Fine Print:

Learn how to do a flat panel lamp and tackle the Morton Glass Cutting System at the same time. In this class, you will cut out a "Prairie Style" lamp using the Morton System. We will show you how to set up your Portable Glass Shop to cut angles and strips the easy way. The class will be **Tues. Jan 6 & 20** 6:30-9.

You will need to purchase your glass before class begins. Lamps sometime take a while to choose glass for, so you may want to come in early to make your selections. Also, you will need to bring your glass cutting tools, Portable Glass Shop, ruler & sharpie marker with you to class.

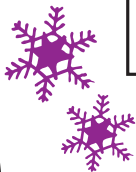

The class fee is \$50 plus materials. When you come in to sign up, be sure to pick up your lamp pattern. Class space is limited so call today!

## Hot Glass Fused Snowflakes

9:15-1:15pm

Fee \$45  
Includes everything

Watch as you turn Red Hot glass into a beautiful snowflake through Kiln Magic. In this new fusing class you will have the opportunity to make 2 snowflakes. We will teach you the basics of kiln operation, fusing glass and touch on glass compatibility. Just enough to get you hooked on hot glass!

The class fee includes everything! All you need to bring are your glass cutting tools and maybe lunch.

Let it snow!

## Ultimate Suncatcher

11:00-2:30 pm

Fee \$40

Learn how to build the ultimate suncatcher – a 25 point beveled star! In the class, you will actually assemble this 3-D Diamond Snowflake Bevel Star suncatcher. You will be the envy of your friends and neighbors.

The class will be Saturday Jan. 17, 11-2:30pm. The fee is \$40, which includes the Snowflake kit and lots of valuable information for working with 3-D projects.

**The Fine Print:** You must have your bevels foiled before you come to class, so be sure to pick up your kit when you sign up. You will need to bring solder, flux, soldering iron, and nails.
