## Beginner Stained Glass Class

**Feb. 9**

Join us for our next Beginner Stained Glass Class starting **Monday Feb. 9 6:30-9pm**. The class fee includes your beginner tools, a premium oil fed cutter (\$34 value) and your supplies for your first project. You will be taught by professional teachers with nearly 50 years of combined experience.

We feel that if you start out with quality tools and a great glass cutter, your stained glass experience will more enjoyable. The class meets one night each week for 5 weeks, and the fee is \$170. All we need to hold your seat in class is \$85 when you sign up.

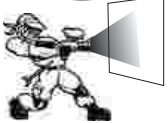

In this class you will make 2 projects and learn everything you will need to do stained glass at home. Take a magical journey with us and make stained glass your favorite hobby!

**Feb.10**

## Intro to Etching & Sandblasting

Tuesday 6:30-9pm Fee \$35

*All materials included*

Blast those winter blues away and discover the mystique of Sandblasting and Etching in this workshop. Learn about basic techniques of hand cutting stencils and surface blasting using a silicon carbide medium. We'll even show you a little about shading and carving glass.

The class is on Tuesday Feb. 10, 6:30-9pm. You will hand cut a design on a beveled glass blank and sandblast the pattern into the glass. The class fee is \$35 which includes the beveled glass blank, hobby knife, and resist.

The class is limited, only 10 seats available in this class!

**Feb.17**

## Mosaic Mirror Class

**Feb.24**

Tuesday 6:30-9pm Fee \$45  
*All materials included except glass*

Art meets function in a fun way! Join us for our new Mosaic Mirror Class and see how much fun working with broken glass can actually be. In this **Hands On** class you will make a 14" x 16" wall hanging with a beveled mirror centerpiece.

Around the mirror we will use the mosaic techniques that you will learn to create your very own work of art.

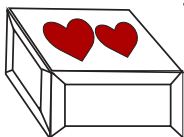

We will meet on Tuesday **Feb. 17 & 24** from 6:30-9pm. The class fee of \$45 includes everything except your glass. You will also need to bring your glass cutting tools or mosaic cutters.

**Feb. 21**

## Hot Glass Jewelry Box

Sat. 9:15 - 2:30pm Fee \$50

*All materials included*

Make your sweetheart a beautiful fused box to put their most precious trinkets in. In this *hands-on* class you will experience two different construction techniques. You will build a bevel box (3" x 3") and

you will make the lid by fusing glass in a kiln. It is the perfect match!

### *Hot Glass Meets Cold Glass*

The class fee includes everything! All you need to bring are your glass cutting tools, soldering supplies, soldering iron and maybe lunch.

Don't wait to sign up, this class is HOT!

*All classes require the fee to hold your spot and space is limited.*

**HOURS: Mon-Fri 9-6, Thur 9-8, Sat 9-3.**

Okay, so you have put the Christmas decorations away and made your fabulous New Year's Resolutions and you're enjoying the snow and cool weather. Now's the perfect time to do a wonderful glass project. So go dust off those trusty tools and slide into the Midwest's Greatest Glass Idea Center. We're packed with inspiration with over 800 colors and types of glass and 3300 interesting Bevel Clusters. Let us help you get going on your next Great Glass Achievement, and have fun while chasing Old Man Winter into spring. And by the way, we are going to help by offering two great coupons on the back of this flier! Don't wait too long, spring is just around the corner!

**Feb. 7**

## Fusing Fun With Your Kid (or Grandkid)

Sat. 9:15-11:30am Fee \$25

*All materials included*

Looking for something fun to do with your child or grandchild? Sign up for our new class and experience hot glass together! Your child, with your help, will get to design fused jewelry, art pieces or glass elements for future projects and will have one firing in your own kiln.

Our son, Daniel, is 8 and he has been making his own line of fused jewelry. He has sold several pieces and he enjoys being creative and earning a little cash.

Your child must be at least 8 years old and be accompanied by an adult (you). With this class, you don't need a lot of glass cutting experience. It is a great way for the both of you to get introduced to hot glass.

**Feb. 7**

## Hot Glass Jewelry Class

Sat. 1:00-5:00pm Fee \$45

*All materials included*

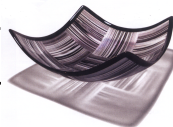

Let your imagination run and create your own fused jewelry that will intrigue everyone! You will actually make several pendant size jewelry pieces in the kiln and maybe take them home that day. You will do two firings in your own kiln. We will also show you how to put the finishing touches on your creations and make beautiful one-of-kind pins or necklaces. In this class, you will learn the basics of kiln operations, fusing and pattern designs.

The class fee includes everything! All you need to bring are your glass cutting tools and maybe lunch.

**Mar. 7**

## Advanced Fusing-Large Format

Sat. 9:15-1:15 pm Fee \$65

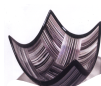

Now that you have tested the hot glass waters, it is time to dive into the exciting possibilities that you can do with the kiln. We have put together an advanced fusing glass that will guide you through new techniques such as paints, decals, powders and other special effects. The cool (or hot) thing is you will get to use a larger kiln and make a bigger project.

You must have basic experience with fusing and glass cutting to join us in this class. Materials not included in the fee. The class is very limited so sign up today!

**Mar. 14**

## Slumped Candle Holder

Sat. 9:15-11:30 pm Fee \$20

Make your own unique candle holders in the kiln in this new and fun class! You will be using a mold and draping the glass to form a small stylized candle holder. Learn about slumping and using molds in the kiln.

You will need to have glass cutting experience for this class.
