Glass House Sets Time Machine To 1985, Rolls Back Prices Twenty five Years!

That's right Mr. Peabody, set the Wayback Machine for May 1985. We dug out our old catalogs (yeah, Steve's a packrat too) and thought it would be fun to feature the following items at Twenty Five Year old pricing. (Why some of you were probably in grade school when prices were this low.)

We also thought you might like to save some money too!
