Gigantic Spring Sale

Don't miss one of our biggest SALES of the year on **May 17 & May 19!** Rain or shine we will have crates of glass everywhere full of fabulous bargains. We will have glass as low as \$1.99 sq. ft. and bevels that are practically free (well, cheap anyway). Not to mention other specials that are too juicy to tell you about at this point! Do I have your curiosity going wild? Well, you will just have to come and see what The Glass House Nuts have up their sleeves for this sale!

The boss says you have to work on Saturday? Don't worry, we will leave plenty of bargains out just for you on Monday. But if you wait till Tuesday, you might miss out on all of our spectacular deals! So bring the big truck and load it up – you'll be glad you did!

Wacky 6000 Contest

There is still time to enter your fabulous Wacky 6000 creation in our contest. Just use Spectrum 6000BQ (Black & White Baroque) in something unique that will wow the Judges and you could be a winner! This contest is designed to show off your work to other glass people so don't worry if you think your project isn't absolutely perfect! It is all for the fun of sharing with your fellow glass nuts! Bring in your project before May 24 to be entered. We are giving away several gift cards and it is FREE to enter!

We will have a **Wacky Gala on Thursday May 29, 6:30-7:30.** You will get to meet many of the artists and see the fabulous entries. As with any fancy gala, there will be refreshments, so make sure you stop in and enjoy the show. The winner will be announced at the Gala.

What's New?

I think we have found the most beautiful glass on earth! Have you ever seen **Fantasy Glass**? I just can't describe it so you will have to come in and see for yourself. We have about 39 different colors!

Check out the beautiful **Painted Medallions** that we just got in! Just put a border or two of glass and you have a beautiful Monet or Tiffany landscape! Don't miss out on these, quantities are very limited.

Stained Glass News

The new Stained Glass News is here and it's **FREE!** We may even have a few back issues if you didn't get the last issue.

Thursday Nite Club

Our next meeting is **May 8** and we will be talking about tuning up your equipment to make your stained glass experience more fun! We will show you things like "How To Make Your Iron Work Better" to "Cutting Your Grinding Time Down".

On **June 12** we will introduce the NEW **Beetle Bit Glass Cutting System**. The Beetle Glass cutter glides along a bar improving your straight line cutting greatly. No more leaning your cutter and getting bad scores.

If you have any ideas for our club just let me know. Thanks to all of our Thursday Nite gang, it is a blast!
Details Details . . .

The Club fee is only \$10 per year. We meet every second Thursday from 6:30 - 7:30pm, rain or shine. The meetings are informal and open to any questions, about glass of course. You can come to as many meetings as you like and after 6 meetings you will get a \$10 gift certificate. You can't lose! But you have to be a member to attend. ©May 08 The Glass House
