Great Big Thank You !

It is a crazy time in the glass business with glass companies closing and stores getting harder to find. **Because of your support,** The Glass House is here to stay! When you come here to buy your supplies and gifts, you support this store so we can continue to offer cool classes and bring in new products. We thank you for being loyal and without you, The Glass House lights would go dim!

Nov. 1

Skill Level ★★ ★ *Plus Materials*

Satisfy your Sweet Tooth by joining us for our new class that involves our two favorite hobbies: Stained Glass and Eating!

You will make this beautiful 10" x 16" Candy Cane panel, using the fabulous Spectrum Peppermint Pink Baroque to make the Candy Canes pop. As an added bonus, each week we will all bring a sweet treat to share with our fellow crafters. It will

give us a chance to catch up with other glass friends or meet new ones that are crazy about glass!

The fee is \$30 plus materials. This Candy Cane panel will be constructed using the Copper Foil method.

You must have prior experience working with stained glass and all we need to reserve your place is the class fee.
