Great Big Thank You !

It is a crazy time in the glass business with glass companies closing and stores getting harder to find. **Because of your support,** The Glass House is here to stay! When you come here to buy your supplies and gifts, you support this store so we can continue to offer cool classes and bring in new products. We thank you for being loyal and without you, The Glass House lights would go dim!

Oct. 29

Wine Bottle Windchime

Sat 9:15-1:15pm Fee \$35

Skill Level ★ *Includes Materials*

Art comes in all shapes and sizes! Join us in our **Wine Bottle Windchime** class and see how recycling can be fun and functional!

In this hands-on class, learn how to cut wine bottles and decorate them. Then, we will drill holes and string your dangles made of slumped bottle rings into a beautiful work of art.

The class fee includes everything, and all you need to bring is your imagination! You will never look at an empty wine bottle again without thinking, "I can make beautiful things with that!"

Class is limited so sign up today!

Sweet Tooth's Paradise

Wednesday 6:30-9:00pm (3 weeks) Fee is \$30

Nov. 2

Skill Level ★★ ★ *Plus Materials*

Satisfy your Sweet Tooth by joining us for our new class that involves our two favorite hobbies: Stained Glass and Eating!

You will make this beautiful 10" x 16" Candy Cane panel, using the fabulous Spectrum Peppermint Pink Baroque to make the Candy Canes pop. As an added bonus, each week we will all bring a sweet treat to share with our fellow crafters. It will

give us a chance to catch up with other glass friends or meet new ones that are crazy about glass!

The fee is \$30 plus materials. This Candy Cane panel will be constructed using the Copper Foil method.

You must have prior experience working with stained glass and all we need to reserve your place is the class fee.

Glass House has a Facebook Page-Like us and we'll keep you updated on the latest!

Fused Santa's Cookie Tray

Nov. 5

Saturday 9:15-2:00 Fee is \$30

Skill Level ★★ *Plus Materials*

Santa will be delighted to see his treats displayed on such a cool tray. You will get extra points with Santa because you made the tray yourself!

Dig deeper into the fusing world and experiment with frit and personalize your very own Cookie Tray. Learn more about working in a larger kiln and the whole process from selecting glass to firing your project to the perfect temperature. While your project is firing, we will talk about slumping your tray and how to prepare the molds.

No Fusing Experience just glass cutting skills needed!

Pattern Bar Plate Class

Nov. 19

Saturday 9:15-2:00 Fee is \$40

Skill Level ★★ *Plus Materials*

Ever wondered how they made beautiful kaleidoscope effects with fused glass? Pattern Bars can be great fun! We will explore the wild and wonderful world of making pattern bars to incorporate into your fused projects! You will actually make your very own pattern bar in the first class.

The second class, you will make a plate using your pattern bar elements!

We will also discuss different types of pattern bar molds and how to use them. Learn how to set them up in the kiln and set firing schedules

No Fusing Experience just glass cutting skills needed!

Fused Ornament Fun

Nov. 30

Skill Level ★ *Plus Materials* Wednesday 4-7 pm Fee is \$5

Make your very own Fused Ornament for only the price of materials! We will have pre-cut designs and shapes to choose from and at no extra charge, we will fire them in the kiln. You can pick them up in a couple of days. You can make as many as you wish. Because it was so well attended last year, we thought we needed to have

set time slots. We have **4-5pm, 5-6pm & 6-7pm** time slots. Give us a call and sign up and let's have some fun!

Join us for a fun night of creating and hanging with other glass nuts. Let's heat up the House!

Fuser's Reserve Glass
Stock up before it is gone forever!

As you know, Spectrum has stopped producing their beautiful glass. They have announced a new owner and will be moving the production of Spectrum to Mexico. It makes us wonder if Spectrum will take on a new look once the production starts again maybe late next year. Now, Uroboros has announced it's closing early 2017.

The Glass House has stocked up on Spectrum Glass & 96 Fusible, and we have a good supply of Bullseye & Uroboros Fusible. If you like to work with these types of glass, stock up now before they are all gone!

DON'T MISS OUT, call today and order your glass and we'll have it ready to pick up!

Saturday & Sunday

Direct from Las Vegas, by way of Ohio, **Kat Patrick** will be showing you how to make your glass cutting easier and fun with the Cutters Mate Glass Cutting System, Beetle Bit System and even the Creator's Bottle Cutter! These cutting systems are truly amazing. If you have problems getting enough pressure for successful scores, we have the answer! Demos start on Saturday at 11:00 and Sunday 11:30-1:30. Kat does these demos at the Glass & Bead Expo in Las Vegas and has worked with glass for over 20 years.

Bonus Moonlight Monday

Can't make it for our Moonlight Madness sale on Saturday or Sunday? Stop by on **Monday (Oct. 24)** and see what kind of bargains we can tempt you with! We don't want to end all that fun after Sunday, so we decided to bring the party indoors and let the bargains continue! Who knows, Steve may be making new deals!
