Happy Holidays

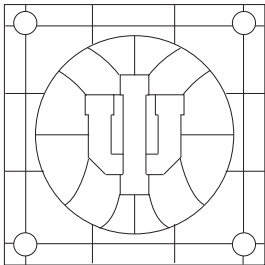

Once again the holiday season is fast approaching and it is a time to be thankful for all of our blessings. We want you to know how much we appreciate your business. We want to offer you the largest selection of glass and supplies in central Illinois and most of all we want to offer you personal service. Service is not a thing of the past, it is what The Glass House was built on.

When you shop in our store you will see the newest that the industry has to offer. We stand behind the equipment that we sell by doubling the manufacturer's warranty. If you have a problem we will do our best to take care of it. When you purchase a saw from us, we will make sure the saw is ready to go when you get home. If you break a blade, we will install a new one just for the price of the blade, no installation charges. Service is not something you find in a catalog, it is in *your* stained glass store, **The Glass House!**

We all hope your holidays are great and all your glass projects get finished on time! Thanks for making us your favorite stained glass store!

DEMOS - LOOK

12:30 - 1:00 Glass Saw Wars

Come see how a glass saw can change the way you look at a glass project! We will talk about the different saws on the market and what we would recommend and why. You can test drive the saws and see how easy it is to cut difficult designs. Nothing is impossible to cut with a glass saw. It is perfect for people doing glass fusing. You can fire a project and then cut out the shapes you are looking for and refire it. You can have matching pieces easily!

Tell Santa about this perfect present for the favorite glass artist in your family!

1:00 - 1:30 Toys For Glass Nuts

Tools can make your glass project go much easier, without them it is often a chore. Come see what every glass worker dreams about in their workshops!

We will also be featuring the revolutionary idea in glass cutting called the Cutter's Mate. It maintains the perfect pressure giving you the perfect score. If you can trace it, you can cut it! Psst . . . There will be a special on the Cutter's Mate during the Open House!
