NEW!

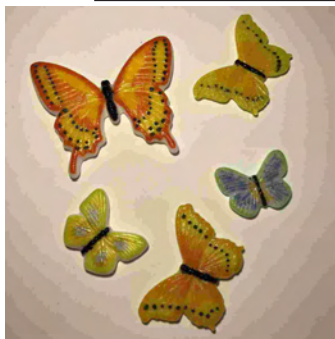

Sept 23

Skill Level ★

Frit Casting Fun

Sat 9:15-1:15pm Fee \$30

Plus Materials

Come play with frit (crushed glass) and create wonderful elements for future projects! You can choose between the Butterflies or Dragonfly.

What is Frit? It is actually glass that is similar to sand, so in a sense you are creating your own glass.

You will learn about how to

prepare the mold as well as work with the frit to get very interesting glass pieces in the kiln.

PSSST. . . If you're thinking of doing the Vitrograph class, you can use this finished project with your project in that class.

Glass Weaving In The Kiln

Sat 9:15-1:15pm Fee \$30

Skill Level ★★

Plus Materials

Art sometimes pushes us to the limit of creativity, but somehow we are able to go a little bit further. Unlike fabric, glass is rigid but what if we could manipulate it to work like

fabric? We will show you how to do this in our new **Glass Weaving Class!**

You will learn the basics of fusing, preparing your mold and setting up your project. You will make a Fused Weaved Plate as well!

Class is limited so sign up today! No fusing experience required.

Vitrograph Kiln Fun

Saturday 9:15-2:00 Fee is \$40

Skill Level ★★

Plus Materials

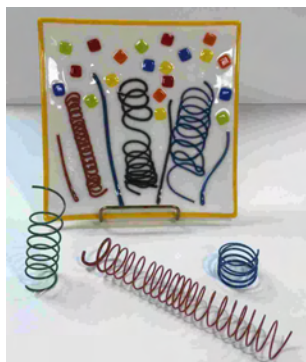

Ever get this crazy idea to do the unthinkable in your glass kiln? To actually pull hot glass out of the kiln and get your creative groove on?

We are actually going to do just that with a Vitrograph Kiln. It is a kiln with a hole in the bottom that will allow us to pull out

hot strings of glass and manipulate them into really cool spirals and shapes. Then we will use those design elements and make a one of a kind Fused Plate.

Class is limited so sign up today!

No Fusing Experience just glass cutting skills needed!

Nov. 4 Pattern Bar Plate Class

Nov. 18

Saturday 9:15-2:00 Fee is \$40

Skill Level ★★

Plus Materials

Ever wondered how they made beautiful kaleidoscope effects with fused glass? Pattern Bars can be great fun! We will explore the wild and wonderful world of making pattern bars to incorporate into your fused projects! You will actually make your very own pattern bar in the first class. The second class,

you will make a plate using your pattern bar elements!

We will also discuss different types of pattern bar molds and how to use them. Learn how to set them up in the kiln and set firing schedules
