Parking Lot Sale

Steve is the ultimate bargain hunter (hey, anything to give our customers a bargain!) and he hunts all year to find special deals on glass and tools. We will fill half of the parking lot with glass crates full of great glass at great prices! Inside you will find more bargains on used equipment, new items, bevells, books and much more! You don't want to miss this semi-annual Parking Lot Sale!

We have so many bargains that we will be open **Saturday (9:30 - 4pm), and Monday 9-6pm.** Come early and bring the big truck!

May 4

Fused Desk Clock Class

May 7

Saturday 9:15-12:30

Tuesday 6:30-8:30pm Fee \$30

Plus Materials (Clock Kit included)

Join us for our newest class with the coolest project on May 4 (Sat) and May 7 (Tues)! You will make a fused Desk Clock using our new

Outstanding Jr. Adjustable

Stainless Steel Mold. You will fuse your clock base in the first class and learn how to install your clock and finish during the second session.

You will not only get a basic intro to glass fusing but also learn the secrets to drilling holes with diamond drill bits. But wait there's more . . You will get to use your own kiln in this class so you will be the one who decides when your piece is finished. You are the captain of your ship!

The class fee includes your clock kit, glass not included. Excitement is FREE! All you need to bring are your glass cutting tools. Don't wait to sign up, this class is RED HOT! Glass cutting experience is recommended!

No fusing experience is necessary!

Beginner Stained Glass Class

June 3

Join us for our next Beginner Stained Glass Class starting **Monday June 3 6:30-9:00.** You will be taught by professional teachers with over 60 years of combined experience.

We want you to learn a new hobby as well as have fun in the process! The class meets one night each week for 5 weeks, and the fee is \$170. The class fee includes professional tools and your glass for your first project. All we need to hold your seat in class is \$85 when you sign up.

In this class you will make 2 projects and learn everything you will need to do stained glass at home. Take a magical journey with us and make stained glass your favorite hobby!

New T-shirts and Aprons

We have new T-Shirt designs and Aprons so you can proudly announce your favorite hobby! Also we have Aprons in many of the current designs as well! They are *Before Glass/ Glass Goddess/ Fusing Makes Me Hot/ and Glass Artist gets all the breaks.* They are really nice!

NEW!

What's New?

Check out the newest line of slumping molds that just hit the market:

The Outstanding Mold and the Outstanding Jr. Mold. These are adjustable stainless steel molds that will work great for stand up projects, such as clocks, picture frames or even vases.

Drill Guides

Drilling holes in glass has always been a mystery. Now the secret is wide open and we have two new drill guides that will make drilling glass even easier!

The Drilling Platform allows you to drill larger holes without the worry of keeping the drill bit in position. You can drill flattened wine bottles easily as well!

\$13.50

W/ Mat

GREAT for drilling smaller holes! The V-Grip attaches to your glass and guides your diamond drill bit to cut the perfect hole. Includes Drilling Mat too.

You can use this on flat glass or wine bottles.

June 8

Tulip Window Hanging Class

Saturday 9:15-12:30 Fee\$30

Material Included

Looking for a project that will only take a couple of hours to finish? We have the class just for you! We will make a Tulip window hanging using suncatcher lead to brighten up your windows.

You will be using lead to assemble your project. Don't worry if you haven't used lead before, we will show you how to work with the suncatcher lead. The glass is pre-cut so don't worry about your glass cutting skills!

All you need to bring is your soldering iron and soldering supplies and lead cutter if you have them. Class is limited so sign up today!
