10 Things to do with "Wine" Bottles Besides Empty Them

Feb. 23

Skill Level ★

Sat. 9:15-1:15pm Fee \$25

Plus materials

Do you ever look at that empty wine bottle and wonder "What can I do with this?" Creative Glass people hate to throw anything away, so let's see what we can do! you have to empty the wine bottle or liquor bottle, at another time perhaps! We will show you many different projects that you can do with them. We will show you how to cut the bottoms out to make hanging lanterns. We will show you how to use the

bottle cutter as well as drilling holes into the bottles. We will also talk about how to flatten them into cheese trays.

In this class, we will show you many techniques to dress up your empties. Bring in your favorite bottle and let's make some magic! This is the ultimate in recycling!

Hot Glass Jewelry Box

Monday & Tuesday 6:30-9pm Fee \$50

All materials included

Skill Level ★★ ★

Does making boxes bewilder you? Let us take the mystery out of creating your own keepsake box and learn a new glass technique at the same time!

Hot Glass Meets Cold Glass

In this *hands-on* class you will experience two different construction techniques. You will build a bevel box (3" x 3") using brass came. You will also make the lid by fusing glass in a kiln. This is an introduction to glass fusing and 3-D stained glass construction. It is the perfect match!

Each student will get to use your own kiln to fuse the lid for the box.

No fusing experience is necessary!

The class fee includes everything! All you need to bring are your glass cutting tools, soldering supplies, soldering iron and workboard. Don't wait to sign up, this class is RED HOT!

Stained glass experience is required!

Fused Glass Cabachon Wire Wrapped Pendant

Skill Level ★

Sat. 9:15-11:30pm & Sat. 10:30-12:30pm

Fee \$45 Plus materials

Don't you just love those beautiful fused glass necklaces that are wire wrapped to perfection? Would you like to learn how easy it is to make one of these creations yourself?

We have teamed up with The Bead Shop (McM Designs), next door, to teach you both methods: Hot Glass Fusing

and Wire Wrapping!

On Sat. March 2, you will make several fused glass pendants in your **own** kiln and learn the basic dynamics of glass fusing. The next class, March 9, you will go to The Bead Shop and learn how to wire wrap your new creations into a one of a kind work of art, that you can wear!

No experience is required! If you have glass cutting tools, bring them to class. Wire wrapping tools will be available to use in class. We will need your class fee to hold your spot! Space is limited so don't wait! Call 875-7077 and sign up today!
