Dinner and a Project

★ ★ ★ Monday 6-9pm Fee \$25

Have a project that you just can't seem to get finished? Or maybe you have one that you want to start but need a little motivation? Or maybe you just like getting together with other stained glass people and working on something? We have the perfect class for you! I call it "Dinner And A Project!"

Every Monday night for 4 weeks, we will have a different "Food" theme and everyone can bring something to share with their classmates. Afterwards we will work on projects. As we tackle issues others are having with their projects, we will teach everyone the simplest solutions to those issues. Need help with The Morton System or putting the zinc frame on your window to finally finish it up? Bring it in. You can even bring a different project each week.

We are here to guide you, help you and have some fun! Sign up with a glass friend and have a glass night!
