## Dec. 9 Mosaic Glass Light Block

**Dec. 16**

Monday 6:30-9 (2weeks) Fee is \$35  
 Skill Level ★ Includes everything!

Create your own decorative holiday accent light the fun and easy way. We will take a glass block and decorate it with beautiful glass mosaics. In this exciting class, you will learn how to do glass mosaics, have fun and may even

learn a new technique. We will be working with a new sheet adhesive that dries instantly with a little heat!

In this hands on class, we will take out the mystery of how to make a hole in a glass object. You will actually drill a hole into the block for the light cord.

The class includes all of your materials. If you want specific colors of glass, you will need to bring them. You will also need to bring to class your glass cutting tools and a heat gun if you have one.

If you have trouble cutting glass or are new to the glass world, we have special mosaic cutters that will let you cut like a pro.

The class is limited so call and sign up today!

## 10 Things to do with "Wine" Bottles Besides Empty Them

Jan. 25

Skill Level ★

Sat.9:15-1:15pm Fee \$25

Plus materials

Do you ever look at that empty wine bottle and wonder "What can I do with this?" Creative Glass people hate to throw anything away, so let's see what we can do!

the wine bottle at another time perhaps! We will show you many different projects that you can do with them. Learn how to cut the bottoms off to make hanging lanterns, among other things. We will demonstrate how to use the bottle cutter as well as drilling holes into the bottles. We will

also talk about how to flatten them into cheese trays and much more.

In this class, we will show other techniques to dress up your empties. Bring in your favorite bottle and let's make some magic! Don't worry if you don't have a bottle, we will have extras! This is the ultimate in recycling!

## Jan. 21 Leaded & Fused Ice Windchime

Jan. 28

Tuesday 6:30-9pm Fee \$45

Skill Level ★★ ★ Includes Materials

Imagine the look of real Icicles added to a Stained Glass Snowflake! In this class you'll *Fuse* your glass Icicles and construct a *leaded glass snowflake* to complete the Windchime.

We will be combining several stained glass aspects to make this project: Fusing, Cutting, & Leading! This class is an introduction to the world of fusing so fusing experience isn't necessary!

You will need to bring your soldering iron, soldering supplies, and glass cutting tools to class.

## New Molds

Make an unique Cheese Tray easily by slumping your favorite wine bottle in one of our **new bottle molds**. We have a mold with a Christmas Tree, Welcome and plain. They are a real conversation piece at any holiday event!

Check out our complete stock of slumping molds. We have well over 50 in stock!

Jan. 18

## Fused Winter Time Plate

Skill Level ★★

Sat.9:15-1:15pm Fee \$35

Plus materials

Ward off the snowfall with this beautiful Snowman plate that you can make yourself! As long as you have it displayed on your table, the snow will stay away, right?

You will get to use the larger kiln for this project and learn more about the world of hot glass fusing! You will need glass cutting experience for this class.

The fee is \$35 plus materials. The plate will be 8-12" in diameter. In this class we will cover the basics of glass fusing and slumping in the larger kiln. Each student actually has their own kiln to fire their project.

Class is limited so sign up today!

Jan. 11

## Frit Casting Demo

Sat.9:15-1:15pm Fee \$15

Frit Casting has everyone wondering how they do that? Steve will show you how to take tiny particles of crushed glass and make cool projects in your kiln, even the smaller kilns!

In this class, you will see how to accurately prepare your mold with the right amount of frit and fire it in the kiln. We will discuss firing schedules suited for frit castings, among other things. I know your Mother told you not to play with broken glass, but sometimes we have to live on the edge!

The fee is \$15 and you will get a free Frit Pod Mold (9.99 value) to take home and make one yourself!
