## Skill Level ★ Beginner Stained Glass Class

Sept. 21

Join us for our next Beginner Stained Glass Class starting **Monday Sept. 21 6:30-9:00**. The class fee includes a professional tool kit and your glass for your first project. You will be taught by professional teachers with over 60 years of combined experience.

We want you to learn a new hobby as well as have fun in the process! No trade secrets will be kept secret! The class meets one night each week for 5 weeks, and the fee is \$170 (includes tools, supplies and glass for your first project). All we need to hold your seat in class is \$85 when you sign up.

In this class you will make 2 projects and learn everything you will need to do stained glass at home. Take a magical journey with us and make stained glass your new favorite hobby!

## Dinner and a Project

Skill Level ★★★★★ Tuesday 6-9pm Fee \$25

Have a project that you just can't seem to get finished? Or maybe you have one that you want to start but need a little motivation? Or maybe you just like getting together with other stained glass people and

working on something? We have the perfect class for you! I call it "Dinner And A Project!"

Every Tuesday night for 4 weeks, we will have a different "Food" theme and everyone can bring something to share with their classmates. Afterwards we will work on projects. As we tackle issues others are having with their projects, we will teach everyone the simplest solutions to those issues. Need help with The Morton System or putting the zinc frame on your window to finally finish it up? Bring it in. You can even bring a different project each week.

We are here to guide you, help you and have some fun! Sign up with a glass friend and have a glass night!

## Hot Glass Plant Stakes

Sat. 9:15-2:30:pm Fee \$45

Skill Level ★★

Create your very own unique Fused Glass Plant Stakes and learn a new facet of glass! You can add a splash of color to your next flower arrangement or jazz up your garden plants with a cool Fused Plant Stake! We will introduce you to the wonderful world of Fusing and turn up the Heat! Once you learn the basics, you can make elements for your stained glass

creations or dazzle your friends with your hot glass jewelry! We also rent out kilns!

Plant Stakes will add a splash of color to your house plants or garden. You can even jazz up that Get Well arrangement. In the class, you will make 2-4 plant stakes **in your own kiln!** We will also show you how to put the finishing touches on your creations

**No Fusing experience necessary!**

The class fee includes \$15 glass allowance and 2 Plant Stakes. All you need to bring are your glass cutting tools.

## Fused Spooky Plate Class

Saturday 9:15-2:30pm Fee \$35

Plus Materials Skill Level ★★

Brighten up your decor with a beautiful fused Fall plate (or Halloween theme) that you can make yourself! You will get to use a larger kiln for this project and learn more about the world of hot glass fusing! **No Fusing Experience needed, just glass cutting!**

The fee is \$35 plus materials. The plate will be 10" in diameter. In this class we will cover the basics of glass fusing and slumping in the larger kiln. *Each student actually has their own kiln to fire their project.*

Class is limited so sign up today! Rumor has it that we will make a Krekel's hamburger run for lunch (\$5)

## Spooky Hidden Picture

Saturday 9:15-2:30pm Fee \$25

Plus Materials

Create your own spooky landscape with a little stained glass magic. It will make others wonder how you did that!

We will explore incorporating natural items in our stained

glass creation, like rocks and tree branches. Then we will work with sheet foil to create overlays that will give your masterpiece depth.

We will be working with Kokomo or Youghiogheny Head glass, with irregular top edge, to begin our landscapes. Letting the nature of the glass determine how we precede. Sometimes we have to think outside the box and this class will be a new beginning.

You will need to bring your stained glass cutting tools and soldering supplies to class. Lunch from Krekel's for \$5.
