## Skill Level ★ Beginner Stained Glass Class

Sept. 14

Join us for our next Beginner Stained Glass Class starting **Wednesday Sept. 14, 6:30-9:00**. The class fee includes a professional tool kit and your glass for your first project. You will be taught by professional teachers with over

60 years of combined experience.

We want you to learn a new hobby as well as have fun in the process! No trade secrets will be kept secret! The class meets one night each week for 5 weeks, and the fee is \$170 (includes tools, supplies and glass for your first project). All we need to hold your seat in class is \$85 when you sign up.

In this class you will make 2 projects and learn everything you will need to do stained glass at home. Take a magical journey with us and make stained glass your favorite hobby!

## Spooky Hidden Picture

Saturday 9:15-2:30pm Fee \$25

Plus Materials

Skill Level ★★ ★

Create your own spooky landscape with a little stained glass magic, it will make others wonder how you did that!

We will explore incorporating natural items in our stained

glass creation, like rocks and tree branches. Then we will work with sheet foil to create overlays that will give your masterpiece depth.

We will be working with Kokomo or Youghioghny Head glass, with irregular top edge, to begin our landscapes. Letting the nature of the glass determine how we precede. Sometimes we have to think outside the box and this class will be a new beginning.

You will need to bring your stained glass cutting tools and soldering supplies to class.

*Not a fan of Halloween? You can choose from Nature, Aquatic, Wild Animals or Birds/Butterflies Designs*

## Important Email Alerts and Flier Update

## Kiln Operation 201 The sequel

Sept 17

Sat. 9:15-12:30pm Fee \$15

Now that you have bravely turned on your new kiln and realized that you weren't going to combust into flames, it is time to seek more useful knowledge about fusing. In this class, we will talk about different types of

slumping molds and how to prepare them. We will discuss the manufacturers of fusible glass and what each has to offer. We will open the door on frit, powders and paints you can use to jazz up your next project. We will try to unlock all those mysteries of your kiln so that you can create without worry.

## Form Lamp Class

Nov.1

Skill Level

Tuesday 6:30-9pm

5 Weeks Fee \$60

Includes Form & Pattern

Have you ever wanted to build your own "Tiffany" heirloom? The Glass House will be offering a Form Lamp Class starting Tuesday Nov. 1, 6:30-9pm

Each week we will also have a special apple treat to go with our Apple Blossom lamp.

The class will meet each Tuesday for 5 weeks and the fee is \$60 plus materials. *The class does include the form and the pattern set (Apple Blossom).* Each student will actually construct a 7" **Apple Blossom** lamp using a Worden form. We've decided to build a smaller lamp in order to complete the project in the limited time frame. The techniques are the same for larger lamps.

You will learn how to prepare your form and crack the secrets to soldering your lamp on a rounded form. We will show you how to finish off your masterpiece so you can enjoy it for years to come. You must have prior experience in working with copper foil to enroll in this class.

This class is only offered every couple of years or so and is very limited on the number of students we can take. *You must pick up your pattern set ahead of time and have your glass purchased before class begins.* Don't miss out! Call or stop by today!
