Skill Level ★ Beginner Stained Glass Class

Apr 19

Join us for our next Beginner Stained Glass Class starting **Tuesday April 19 6:30-9:00**. The class fee includes professional tools and your glass for your first project. You will be taught by professional teachers with over 60 years of combined experience.

We want you to learn a new hobby as well as have fun in the process! The class meets one night each week for 5 weeks, and the fee is \$170 (includes tool kit.) All we need to hold your seat in class is \$85 when you sign up.

In this class you will make 2 projects and learn everything you will need to do stained glass at home. Take a magical journey with us and make stained glass your favorite hobby!

Last Beginner Class until Fall!

Apr 25

Skill Level ★★ Beginner Lead Class

Now that you know how to do the copper foil method, it is time to venture off towards a new direction. Learn how to work with lead came in our next intermediate lead class for beginners!

The lead class will begin **Monday April 25, 6:30-9pm**. The class meets one night each week for 4 weeks.

The fee is \$50 plus materials. You will construct a leaded panel in the class. We also talk about reinforcing and repair, if time permits.

You must have prior experience working with stained glass and all we need to reserve your place is the class fee.

NEW! Painted Medallion

Apr 11

Apr 18

Mondays 6:30-9pm Fee \$30

Skill Level ★★★ Plus Materials

Glass people are the busiest people I have ever met. You need something to create that won't take much time and be awesome when it's finished!

is just what you need. We will do a 14" x 14" foiled panel with a painted medallion centerpiece. We have such a variety of designs. You'll choose from ducks, cats, cardinals, flowers and even Snoopy (and more.) The painted pieces are kiln fired so the designs are permanent. We will talk about how to use these beautiful designs to jazz up your windows.

If you're looking for a **Refresher Class on Foil Soldering** this is it! We will talk about using the Morton System and zinc framing your finished panel.

You will need to bring your glass cutting tools the first night and your soldering tools, supplies and workboard on the second night of class.

CLOSED

The Glass House will be closed **March 29 – April 5** to attend a glass conference. We want to stay on the cutting edge of glass technology so we can keep you in tune with what's new in our industry. So mark these dates on your calendar and we will see you when we get back!

Apr 16

NEW! Hot Glass Raking

Saturday 9:15-2:30pm Fee \$55

Skill Level ★★ Plus Materials

Ever wondered how they made the glass do that? We are going to share the deep secrets of how to manipulate and comb glass into beautiful free flowing designs and patterns.

You will create a 6" x 6" min. tile that can be slumped into a dish, jewelry, or really cool elements to use in future projects! **Like all of our fusing classes you get the experience of actually firing your piece learning how to operate a kiln.**

Everybody gets to fire in their own kiln!

Bring your glass cutting tools to class, lunch and lots of excitement and expand your hot glass horizons! **No Fusing Experience just glass cutting skills ne**

10 Things to do with "Wine" Bottles

Apr 30

Sat. 9:15-1:15pm Fee \$25

Skill Level ★ Plus materials

Do you ever look at that empty wine bottle and wonder "What can I do with this?" Creative Glass people hate to throw anything away, so let's see what we can do!

First you have to empty the wine bottle or liquor bottle, at another time perhaps! We will show you many different projects that you can do with them. We will show you how to cut the bottoms out to make hanging lanterns. We will show you how to use the bottle cutter as well as drilling holes into the bottles. We will also talk about how to flatten them into cheese trays.

In this class, we will show you many techniques to dress up your empties. Bring in your favorite bottle and let's make some magic! This is the ultimate in recycling!
