## 10 Things to do with "Wine" Bottles Besides Empty Them

Jan. 25

Skill Level ★ Sat.9:15-1:15pm Fee \$25  
*Plus materials*

Do you ever look at that empty wine bottle and wonder "What can I do with this?" Creative Glass people hate to throw anything away, so let's see what we can do!

the wine bottle at another time perhaps! We will show you many different projects that you can do with them. Learn how to cut the bottoms off to make hanging lanterns, among other things. We will demonstrate how to use the bottle cutter as well as drilling holes into the bottles. We will

also talk about how to flatten them into cheese trays and much more.

In this class, we will show other techniques to dress up your empties. Bring in your favorite bottle and let's make some magic! Don't worry if you don't have a bottle, we will have extras! This is the ultimate in recycling!

## Jan. 21 Leaded & Fused Ice Windchime

Jan. 28 Tuesday 6:30-9pm Fee \$45

Skill Level ★★ ★ *Includes Materials*

Imagine the look of real Icicles added to a Stained Glass Snowflake! In this class you'll *Fuse* your glass Icicles and construct a *leaded glass snowflake* to complete the Windchime.

We will be combining several stained glass aspects to make this project: Fusing, Cutting, & Leading! This class is an introduction to the world of fusing so fusing experience isn't necessary!

You will need to bring your soldering iron, soldering supplies, and glass cutting tools to class.

## New Molds

Make an unique Cheese Tray easily by slumping your favorite wine bottle in one of our **new bottle molds**. We have a mold with a Christmas Tree, Welcome and plain. They are a real conversation piece at any holiday event!

Check out our complete stock of slumping molds. We have well over 50 in stock!

## Jan. 18 Fused Winter Time Plate

Skill Level ★★

Sat.9:15-1:15pm Fee \$35  
*Plus materials*

Ward off the snowfall with this beautiful Snowman plate that you can make yourself! As long as you have it displayed on your table, the snow will stay away, right?

You will get to use the larger kiln for this project and learn more about the world of hot glass fusing! You will need glass cutting experience for this class.

The fee is \$35 plus materials. The plate will be 8-12" in diameter. In this class we will cover the basics of glass fusing and slumping in the larger kiln. Each student actually has their own kiln to fire their project.

Class is limited so sign up today!

Jan. 11

## Frit Casting Demo

Sat.9:15-1:15pm Fee \$15

Frit Casting has everyone wondering how they do that? Steve will show you how to take tiny particles of crushed glass and make cool projects in your kiln, even the smaller kilns!

In this class, you will see how to accurately prepare your mold with the right amount of frit and fire it in the kiln. We will discuss firing schedules suited for frit castings, among other things. I know your Mother told you not to play with broken glass, but sometimes we have to live on the edge!

The fee is \$15 and you will get a free Frit Pod Mold (9.99 value) to take home and make one yourself!
