NEW Mosaic Glass Christmas Tree

Nov 11

Skill Level ★★ Beginner Lead Class

Now that you know how to do the copper foil method, it is time to venture off towards a new direction. Learn how to work with lead came in our next intermediate lead class for beginners!

The lead class will begin **Tuesday Nov. 11, 6:30-9pm**. The class meets one night each week for 4 weeks.

The fee is \$50 plus materials. You will construct a leaded panel in the class. We also talk about reinforcing and repair, if time permits.

You must have prior experience working with stained glass and all we need to reserve your place is the class fee.

Nov. 17

Monday 6:30-9pm (3 weeks) Fee is \$35

Skill Level ★ Includes Tree, glue, light set & grout

Create your own spin on this year's holiday decorations with a beautiful Mosaic 3-D Christmas Tree light!

We will design the mosaic Tree Light using a new gluing technique. We will be using *No-Days Mosaic Glue* sheets that dry almost instantly. This new glue is a great way to mosaic 3-D projects and will open up a lot of new possibilities

with your mosaic projects.

You will also learn how easy it is to actually drill a hole into the glass for the light cord. We will meet every Monday for 3 weeks to work on our new creation.

The class includes the Christmas Tree, glue and light set. You will need glass and/or beads to decorate your light. Also, bring to class your glass cutting tools and a heat gun if you have one. If you have trouble cutting glass or are new to the glass world, we have special mosaic cutters that will let you cut like a pro. The class is limited, so call and sign up today!

NEW

Fused Kaleidoscope Class

Nov. 3

Monday 6:30-9:00pm (2 Weeks) Fee \$30

Nov. 10

Skill Level ★★★ Oil Wand Kit included

Ever wonder how those Kaleidoscopes seem so magical? Now you can learn how to make a little magic yourself!

You will actually fuse your own Kaleidoscope body in the kiln and then assemble the scope into a beautiful and magical art ensemble, using stained glass soldering techniques.

On the first night of class you will use fusing techniques to create the sides of the body of the oil wand scope. The second night we will assemble the scope using your newly created work of art. It is a great way to get an intro to Hot Glass Fusing and unravel the magic of kaleidoscopes. The class fee includes the Oil Wand Kit (value \$27) Glass not included.

Don't miss out on this fabulous new class! Space is limited, so stop by or call and sign up today. *You must have prior stained glass knowledge to enroll in this class.*

Nov. 8

Hidden Picture

Saturday 9:15-2:30pm Fee \$25

Plus Materials

Skill Level ★★★

Nature is full of hidden beauty and with a little stained glass magic, you can create your own beautiful landscape. It will make others wonder how you did that!

We will explore incorporating natural items in our stained glass creation, like rocks and tree branches. Then we will work with sheet foil to create overlays that will give your masterpiece depth.

We will be working with Kokomo Heads glass, with irregular top edge, to begin our landscapes. Letting the nature of the glass determine how we proceed. Sometimes we have to think outside the box and this class will be a new beginning.

You will need to bring your stained glass cutting tools and soldering supplies to class.

Dec. 13

Beveled Snowflake

Saturday 9:15-1:15 pm Fee \$30

Skill Level ★ Includes Materials

Ever wonder how those beautiful multi-layered glass sculptures are made without any lead or solder to hold them together? We will unlock this well kept secret with UV Adhesive. You will see how easy it is to bond glass together

and talk about the wow factor! We will actually make a beveled snowflake, without cutting any glass or using a soldering iron!

Future Class Ideas

We had so many class ideas that we couldn't fit them all into our fall schedule! Our mission is to inspire you with fun classes with all skill levels and would love to hear what you would like to do!
