NEW

Fused Kaleidoscope Class

Nov. 3 Monday 6:30-9:00pm (2 Weeks) Fee \$30

Nov. 10 Skill Level ★★

Ever wonder how those Kaleidoscopes seem so magical? Now you can learn how to make a little magic yourself!

You will actually fuse your own Kaleidoscope body in the kiln and then assemble the scope into a beautiful and magical art ensemble, using stained glass soldering techniques.

On the first night of class you will use fusing techniques to create the sides of the body of the oil wand scope. The second night we will assemble the scope using your newly created work of art. It is a great way to get an intro to Hot Glass Fusing and unravel the magic of kaleidoscopes. The class fee includes the Oil Wand Kit (value \$27) Glass not included.

Don't miss out on this fabulous new class! Space is limited, so stop by or call and sign up today. *You must have prior stained glass knowledge to enroll in this class.*

Nov 11

Beginner Lead Class

Now that you know how to do the copper foil method, it is time to venture off towards a new direction. Learn how to work with lead came in our next intermediate lead class for beginners!

The lead class will begin **Tuesday Nov. 11**, 6:30-9pm. The class meets one night each week for 4 weeks.

The fee is \$50 plus materials. You will construct a leaded panel in the class. We also talk about reinforcing and repair, if time permits.

You must have prior experience working with stained glass and all we need to reserve your place is the class fee.

NEW

Fused Thanksgiving Plate

Nov. 1 Skill Level ★★ 9:15-2:15 pm Fee \$35

Decorate your Thanksgiving table with a beautiful fused plate that you can make yourself! Martha Stewart watch out! Your family will gobble up your new art skill! Your mind will be stuffed with ideas! Ok I'll stop now. Anyway, you will get to use the larger kiln for this project

and learn more about the world of hot glass fusing! You will need glass cutting experience for this class.

The fee is \$35 plus materials. The plate will be 10" in diameter. In this class we will cover the basics of glass fusing and slumping in the larger kiln. Each student actually has their own kiln to fire their project. Class is limited so sign up today!

NEW

Mosaic Glass Christmas Tree

Monday 6:30-9pm (3 weeks) Fee is \$35

Nov. 17

Skill Level ★ Includes Tree, glue, light set & grout

Create your own spin on this year's holiday decorations with a beautiful Mosaic 3-D Christmas Tree light!

We will design the mosaic Tree Light using a new gluing technique. We will be using *No-Days Mosaic Glue* sheets that dry almost instantly. This new glue is a great way to mosaic 3-D projects and will open up a lot of new possibilities

with your mosaic projects.

You will also learn how easy it is to actually drill a hole into the glass for the light cord. We will meet every Monday for 3 weeks to work on our new creation.

The class includes the Christmas Tree, glue and light set. You will need glass and/or beads to decorate your light. Also, bring to class your glass cutting tools and a heat gun if you have one.

Dec. 13

Beveled Snowflake

Saturday 9:15-1:15 pm Fee \$30

Skill Level ★ Includes Materials

Ever wonder how those beautiful multi-layered glass sculptures are made without any lead or solder to hold them together? We will unlock this well kept secret with UV Adhesive. You will see how easy it is to bond glass together

and talk about the wow factor! We will actually make a beveled snowflake, without cutting any glass or using a soldering iron!

Moonlight MADNESS

Did you say the parking lot will be full of Glass Crates?
