## One Stop Glass Shop

Thanks

We'd like to take this time of the year to let you know how much we appreciate your business, this year and for the last 24 years! Without all of you this wouldn't be half as much fun! We want to be the best stained glass store this side of the Rockies and we can't be the best without your loyalty!

We promise to offer you the best selection of glass and supplies possible. If you buy something from us and you have questions or problems we will help you out 100%! If you want to special order something we will be happy to order it immediately. We will double your manufacturer warranty on any power tools that you purchase from us. Our friendly staff will go that extra mile just because service is not a thing of the past!

Keep your stained glass dollars here and we will work hard to come up with exciting new classes, new tools, new glass and new books.

## What's New?

Looking for something quick and easy to make for someone on your wish list? We have the new **Changeable Night Light Bases**. All you have to do is make your night lite (3" x 4") and slide it into the frame and you have an unique gift in no time! You can even fuse the night light panels in the smaller kilns or solder something together. The beauty of these is you can change them out with the seasons or decor!

Want to make a stained glass panel that will wow everyone? Use one of our new **4 1/2" round Sun/Moon face** glass center pieces and people will wonder how you did that! They are available in dark blue irridized, light blue irridized, and deep red irridized and only \$12.99 on sale.

Fusing madness has hit the Glass House! We have expanded our fusing section to include many new molds, including drop out molds, plates, barrette molds, and even a Christmas tree plate! We also have so many new **Dichroic Pattern Glasses** in 90 & 96 coe. In stock now are **purse hangers** that you can make a fused centerpieces for and impress your girlfriends! Does all this sound Greek to you? Then stop by and sign up for our next fusing class and see what all the excitement is all about!

Need something to organize your half sheets of glass? We have a limited supply of **Glass Storage Organizers** that will fit 24" x 24" sheets of glass with dividers to keep the colors separate. These sturdy crates measure 16 1/2" wide, 24 1/2" deep and 29" tall made from plywood and masonite. Stop by and check it out!

## Jan. 11 Beginner Stained Glass Class

Join us for our next Beginner Stained Glass Class starting **Monday Jan. 11**. The class fee includes your beginner tools, a premium oil fed cutter (\$34 value) and your supplies for your first project. You will be taught by professional teachers with nearly 55 years of combined experience.

We feel that if you start out with quality tools and a great glass cutter, your stained glass experience will be more enjoyable. The class meets one night each week for 5 weeks, and the fee is \$170. All we need to hold your seat in class is \$85 when you sign up.

In this class you will make 2 projects and learn everything you will need to do stained glass at home. Take a magical journey with us and make stained glass your favorite hobby!

**Pssst. . . This would make a great Christmas present!**

Jan. 12

## Quilt Block w/ Morton System

Tues. 6:30-9pm Fee \$20

*Plus materials*

12" x 12"

Learn how to use your Morton Portable Glass Shop by cutting out a quilt block panel in this class! Each student will be instructed on the ins and outs of setting the system up and will cut their own quilt square design. *You will learn how to set up angles too!* Each student will need to bring their own Portable Glass Shop & glass cutting tools with them. You will also need to purchase your glass before class begins.

Jan. 19

## Beach Party Treasure Box

Tues. 6:30-9pm Fee \$35

*All materials included*

Let's have a beach party! We have all gone to the beach and brought treasures back to remember the fun, right? Nancy has come up with a great idea to make a sealed beveled treasure box to put your favorite shells and sand in.

You will be making a 3" x 3" Beveled Treasure Box, complete with sand and shells. (If you have small treasures you would like to use, bring them along!)

So put on your Hawaiian shirt and pack up your soldering supplies and join us for our beach party.

You must have experience in foil construction and have your bevels foiled before class begins. Space is limited so call today!

## Fusing Fun With Your Kid (or Grandkid)

Jan. 16

Sat. 9:15-11:30am Fee \$25

*All materials included*

Looking for something fun to do with your child or grandchild? Sign up for our new class and experience hot glass together! Your child, with your help, will get to design fused jewelry, art pieces or glass elements for future projects and will have one firing in your own kiln.

Our son, Daniel, is 9 and he has been making his own line of fused jewelry. He has sold several pieces and he enjoys being creative and earning a little cash.

Your child, or grandchild, must be at least 8 years old and be accompanied by an adult (you). With this class, you don't need a lot of glass cutting experience. It is a great way for the both of you to get introduced to hot glass. This would make a great Christmas Gift!

## Hot Glass Jewelry Class

Jan. 16

Sat. 12:00-4:00pm Fee \$45

*All materials included*

Let your imagination run and create your own fused jewelry that will intrigue everyone! You will actually make several pendant size jewelry pieces in the kiln and maybe take them home that day. You will do two firings in your own kiln! We will also show you how to put the finishing touches on your creations and make beautiful one-of-kind pins or necklaces. In this class, you will learn the basics of kiln operations, fusing and pattern designs.

The class fee includes everything! All you need to bring are your glass cutting tools.
