Form Lamp Class

Nov. 1

Skill Level ★★★★★

Have you ever wanted to build your own "Tiffany" heirloom? The Glass House will be offering a Form Lamp Class starting Tuesday **Nov. 1, 6:30-9pm**.

The class will meet each Tuesday for 6 weeks and the fee is \$60 plus materials. *The class does include the form and the pattern set (Apple Blossom)*. Each student will actually construct a 7" **Apple Blossom** lamp using a Worden form. (I do have a couple of Hummingbird patterns available) If you have already made one of these and want to do something new, we have a plan. We can order any of the 7" Worden designs for only \$10 more.

We've decided to build a smaller lamp in order to complete the project in the limited time frame. The techniques are the same for larger lamps.

You will learn how to prepare your form and crack the secrets to soldering your lamp on a rounded form. We will show you how to finish off your masterpiece so you can enjoy it for years to come. You must have prior experience in working with copper foil to enroll in this class.

This class is only offered every couple of years or so and is very limited on the number of students we can take. *You must pick up your pattern set ahead of time and have your glass purchased before class begins.* Don't miss out! Call or stop by today!
