## Bonus Moonlight Monday

Can't make it for our Moonlight Madness sale on Saturday or Sunday? Stop by on **Monday (Oct. 29)** and see what kind of bargains we can tempt you with! We don't want to end all that fun after Sunday, so we decided to leave most everything out for those with a busy weekend. Who knows, Steve may be making new deals!

Nov. 5

## Prairie Style Lamp Class

featuring Morton's Portable Glass Shop

**Skill Level** ★★☆☆ Mon. 6:30-9pm 3 weeks- Fee \$50  
*Plus materials*

Learn how to do a flat panel lamp and tackle the Morton Glass Cutting System at the same time. In this class, you will cut

out a "Prairie Style" lamp using the Morton System. We will show you how to set up your Portable Glass Shop to cut angles and strips the easy way. The class will be every **Monday**, 6:30-9 for 3 weeks.

### The Fine Print:

You will need to purchase your glass before class begins. Lamps sometime take a while to choose glass for, so you may want to come in early to make your selections. Also, you will need to bring your glass cutting tools, Portable Glass Shop, ruler & sharpie marker with you to class.

The class fee is \$50 plus materials. When you come in to sign up, be sure to pick up your lamp pattern. Class space is limited so call today!

## Soldering Secrets and Finishing Touches

Nov. 6

**Skill Level** ★☆☆☆ Tues 6:30-9pm Fee \$20

Learn how to solder like a professional! We will share our trade secrets on soldering and show you different techniques that will help improve your soldering skills. We will also cover **decorative soldering** that will jazz up your next project. And, if that isn't enough, we will show you how to tune up your iron and talk about different types of irons.

We will also show you how to add the finishing touches to your works of art. You will learn about cleaners, patinas, and polishes that will make your project stand out!

This class is a hands-on class! Show us what you don't like about your soldering and we will show you how to fix it. You will need to bring your iron, flux & solder. We will provide the rest!

Nov. 3

## Lead In A Day

Sat. 9:30-2:00pm Fee \$20

Learn the lead came technique during this one day class demonstration.

You will get a step by step look at how a leaded panel is assembled. The class will be geared for the person who has experience with foil but isn't sure about using lead. We will discuss all aspects from initial pattern allowance and actual leading to soldering and cementing. This offering is designed to help those who are unable to attend our regular lead class. Time will include a 1/2 hour lunch break so bring a sack lunch.

## 10 Things to do with "Wine" Bottles

Nov. 10

**Skill Level** ★☆☆☆

Sat. 9:15-1:15pm Fee \$25

*Plus materials*

Do you ever look at that empty wine bottle and wonder "What can I do with this?" Creative Glass people hate to throw anything away, so let's see what we can do! We will show you many different projects that you can do with them. We will show you how to cut the bottoms out to make hanging lanterns. We will show you how to use the

bottle cutter as well as drilling holes into the bottles. We will also talk about how to flatten them into cheese trays.

In this class, we will show you many techniques to dress up your empties. Bring in your favorite bottle and let's make some magic! This is the ultimate in recycling!

Nov. 17

## Fused Holiday Plate

**Skill Level** ★★☆☆

Sat. 9:15-1:15pm Fee \$35

*Plus materials*

Ward off the snowfall with this beautiful Snowman plate that you can make yourself! As long as you have it displayed on your table, the snow will stay away, right? Or make a wonderful Christmas Tree to decorate your holiday table. Anyway, you will

get to use the larger kiln for this project and learn more about the world of hot glass fusing! You will need glass cutting experience for this class.

The fee is \$35 plus materials. The plate will be 8-12" in diameter. In this class we will cover the basics of glass fusing and slumping in the larger kiln. Each student actually has their own kiln to fire their project.

Class is limited so sign up today!

**Nov. 13**

## I'm Stuck On Glue!

Tuesday 6:30-9pm Fee \$30

Skill Level

Includes Materials

Ever wonder how those beautiful multi-layered glass sculptures are made without any lead or solder to hold them together? We will unlock this well kept secret by unveiling a variety of glues. You will see how easy it is to bond glass together and talk about the wow factor!

We will actually make a beveled snowflake, without cutting any glass or using a soldering iron! You don't need any experience to make this project!

## Nov. 26 **Leaded & Fused Ice Windchime**

**Nov. 27**

Mon. & Tues 6:30-9pm Fee \$25

Skill Level

Plus Materials

Imagine the look of real Icicles added to a Stained Glass Snowflake! In this class you'll *Fuse* your glass Icicles and construct a *leaded glass snowflake* to complete the Windchime. We will be combining

several stained glass aspects to make this project: Fusing, Cutting, & Leading! You will need to purchase the Beveled Snowflake Kit (\$25) for this class.

**Dec. 8**

## Fused Picture Frame

Saturday 9:15-12:30pm Fee \$30

Skill Level

Plus Materials

Join us for our Fused Picture Frame Class! We will be making fused glass picture frames in our larger kilns. They will make the greatest gifts this Christmas, especially with your

darling's picture in it. It will look like a million bucks and it's easy to make! You must have glass cutting experience to enroll in this class. Class is limited so call and sign up today!

**No Fusing Experience just glass cutting skills needed!**
