The Glass House \* 2895 N. Oakland \* Decatur Ill. \* Phone (217) 875-7077 \* Toll Free (888) 469-7077

HOURS: Mon-Fri 9-6, Thur 9-8, Sat 9-3.

## What's New?

I think we have found the most beautiful glass on earth! Have you ever seen *Van Gogh Glass*? I just can't describe it so you will have to come in and see for yourself. It should be here any day.

Our **FUSING GLASS SECTION** has exploded! We have over 200 types in stock (90 & 96 COE) to inspire all of those fused creations you have been dreaming about. We have a huge selection of *Dichroic Glass* that your mouth can't help but water over!

You don't fuse? Don't worry! You can use the glass in your stained glass projects as well. But . . . if you would like to get a taste of the wonderful world of fusing, join us in our next fusing class!

### NEW Easter Cross Suncatcher (Intro to Working with Lead)

March 15

Sat. 9:30 - 1:30pm Fee \$40  
All materials included

Create the perfect project for the Easter Holiday. Choose from two of the three Easter Cross Designs (Lily, Dove, or Filligree) and learn how to assemble them using lead came. This is a great

way to get introduced to working with lead! Since the glass is pre-cut, no glass cutting experience is required.

Have fun making two crosses, a gift for a friend, relative, pastor, and one for yourself too.

The class fee includes everything! Call today and sign up and choose your designs. Space is very limited!

### Hot Glass Jewelry Class

April 19

Saturday 2:00-6:00pm Fee \$45  
All materials included

Let your imagination run and create your own fused jewelry that will intrigue everyone! You will actually make several pendant size jewelry pieces in the kiln and maybe take them home that day. We will also show you how to put the finishing touches on your creations and make beautiful one-of-kind pins or necklaces. In this class, you will learn the basics of kiln operations, fusing and pattern designs.

Don't wait to sign up. Class fills up fast! All you need to bring are your glass cutting tools if you have them.

April 26

### Stepping Stone Class

Saturday 10:30-12:30 am Fee \$30

Beautify your garden with a sparkling new garden stone and be the envy of all your neighbors! Join us for our next garden stone class and learn how easy they are to make!

In this class, you will actually do an 8" x 8" stone and take it home that day! We will show you how to prepare your mold, lay out your project and work with the DiamondCRETE mix.

The class is **Saturday April 26**, 10:30-12:30. The fee is \$30, which includes DiamondCrete and everything you will need to make a stone, except glass. **The Fine Print:** You will need to come to class with your glass cut for an 8" x 8" stone, which you can choose from several patterns when you sign up. . You must have your project cut out and ready to go before class begins.

Start out 2008 with a Wacky Contest

Wacky 6000 Contest

Last year's Wacky Glass Contest was so much fun we decided to do it again. Only this time with a beautiful Black and White Baroque glass. We are looking for the best use of Spectrum's 6000 **Black and White Baroque Glass**. It can be an original design or something that is out of a pattern book. You can make the project any size or shape, as long as you are able to bring it in for our judges to see.

To start you out, we will give you a **FREE** piece of this glass to inspire you in your project. If your creation is chosen as the "best use" of the glass, (determined by the judges) you will not only win a \$25 Glass House gift certificate, but your name will be immortalized in our fliers that are sent out all over the U.S.A. and even internationally. How cool is that?

So come in today and pick up your **FREE** piece of 6000BQ (you will need to have the coupon above) and start creating today. **The contest will end May 24, 2008.** Good Luck!

Thursday Nite Club

Our next meeting is **March 13** and we will explore the mysterious world of Drapery glass. How do we cut it and is it possible to tame it?

**On April 10** we will show you how easy it is to repair a foiled project. We will also talk about

what causes the glass to crack, excluding a roll over of course. Don't be afraid of the cracks!

Call and see how easy it is to join our Club!
