Fall Frit Wave Windchime

Nov 3

Saturday 9:15-3:00 Fee is \$45

Skill Level ★ Plus Materials

Create a fabulous Landscape Windchime of your very own, using Vitrigraph strands and glass frit.

What is a Vitrigraph Strand? The Vitrigraph elements were made in a Vitiagraph kiln. It is a kiln with a hole in the bottom that we have pulled out hot strings of glass and manipulate them into really

cool design elements for your project. You can choose from an assortment of strands to arrange the elements along with Frit to create your fused glass "painting"! You will also see how easy it is to drill holes in your creation to make a beautiful Wind Chime!

Class is limited so sign up today!

Psst . . . Looking for a Great Present for your favorite glass artist!

Dreaming about your very own KILN?
